All members of every Chapter in the District now have the opportunity to attend and practice the Perfection and Enthronement ritual of the Rose Croix, especially now as we have new ritual books. The District Recorder has confirmed that an initial series of dates have been booked with the management of Oakley House Bromley to hire a temple on Thursday evenings between 7.30pm and 9.30pm.

The dates in 2025 booked so far are: -

- 9th January
- 23rd January
- 6th February
- 20th February
- 6th March
- 20th March

We are pleased to announce that the District of West Kent is financing this initiative and it is open to any member of the Order to attend and participate, these are practice sessions after all.

We very much look forward to welcoming as many of them who wish to practice and strengthen their ritual.
